IVth Advanced Capacity Building Program on Water Resource Management, Glacier Monitoring & Climate Change Studies from 15th Feb to 01st Mar 2024

Organized by

DST's Centre of Excellence, Department of Geology, Sikkim University, Gangtok, Sikkim

DST's Centre of Excellence at the Department of Geology, Sikkim University, Gangtok is organizing the *"IVth Advanced Training Program on Water Resource Management, Glacier Monitoring & Climate Change Studies"*. The training program is intended to enhance the capacities of professionals and stakeholder working in the field of cryosphere, hydrology, and climate change studies as well as provide hands-on training. This program shall focus on the assessment and quantification of climatic variables with focus on mountain environments. The training program shall consist of two weeks in-house hands-on training, along with one-week long field-based training.

Targeted Participants

Postgraduate students, Ph.D. scholars, Postdoc students, scientists, researchers, and stakeholders (NGOs) working in the field of Water resource management/Cryosphere/Climate change studies can apply for the training program. The total number of seats available for this training program is 20. Candidates having prior knowledge/background in glaciology/water resource management/remote sensing/climate change studies will be given preference.

Travel and Accommodation:

This training program is fully funded by the Department of Science & Technology (DST), Government of India, under "DST's Centre of Excellence established at Department of Geology, Sikkim University. Selected participants will get reimbursement for train fare (AC III tier). Accommodation for selected participants in Gangtok for the course of the programme shall be provided. Participants need to bring their own laptop.

Application Procedure

Eligible candidates are requested to register and complete the online application form using the link, <https://forms.gle/6WtgAcDmqajvLyDLA>. latest by 8th February 2024. Candidates selected for the training program shall be informed by 10th February 2024. For any inquiries, please contact at +91-9873122054/+91-8100420032 or email at dstcoe.su@gmail.com. The selected participants should have permission to attend the training program from their institutions/organizations.
